 **Welcome to Our Monthly Newsletter!**

We're excited to keep you informed about what's happening at Dudley Wood Surgery. Here's the latest news, important dates, and helpful reminders for this month.

August Newsletter – Your Monthly Update from the Surgery

Flu Vaccines Coming Soon

Flu vaccines will be **available from September**, starting with **pregnant patients** and other eligible groups. We encourage all eligible patients to protect themselves this winter.

Bookings Open in September

From September, we will begin **taking bookings for:**

- **Flu vaccinations**
- **COVID-19 vaccinations**
- **RSV vaccinations** (for those who are eligible)

Please look out for invitations or contact the surgery from September to book your appointments.

Welcome Dr. Latif!

We're delighted to welcome **Dr. Latif**, a highly experienced **female GP**, to our team this month. Dr. Latif brings a wealth of knowledge and compassion to her role, and we're excited to have her on board. Please join us in giving her a warm welcome when you visit the practice.

Join Our Patient Participation Group (PPG)

We're looking for patients to join our **Patient Participation Group (PPG)**.

What is a PPG?

A PPG is a group of patients who work with the surgery to:

- Provide feedback from the patient's perspective
- Help improve services and communication
- Act as a voice for the local patient community

If you're interested in joining, please speak to one of our **Care Navigators** or mention it during your next appointment with a **GP**. Your voice matters, and we'd love to have you involved.

Friends and Family Questionnaire – We Need Your Feedback!

We want to hear from you! The **Friends and Family Test** is a quick survey asking how likely you are to recommend our surgery to others. Your feedback helps us understand what we're doing well and where we can improve.

You can complete the questionnaire:

- At **Reception**
- Via a **text message** after your appointment
- On our **website**

Thank you for helping us improve the care we provide.
